

Relationship support statements are a workflow problem.

Collect · review · revise · approve — with a clear process record.

Workflow infrastructure for support statements.

**Not a law firm.
Not legal advice.**

**Not a referral service.
No outcome promises.**

**Attorney review stays
with the firm.**

The firm starts from its case type.

Relationship-support workflows around the selected matter type.

Case type options (firm intake)

N-400 Naturalization

EOIR-42B Cancellation of Removal

I-129F K-1 Fiancé(e) (relationship + intent)

I-130 Spouse Petition (bona fide marriage)

I-751 Remove Conditions (bona fide marriage)

N-400 Naturalization

The firm decides case strategy

One couple. Two witnesses. Separate paths.

Each witness completes a separate guided flow.

Jot down local reminders for yourself...

Questions focus on personal observations.

Relationship scope — not legal conclusions.

- ☐ **Time spent with them at home**
Daily routines, household responsibilities, visits, or other home life you personally observed.
- ☐ **Shared plans or responsibilities**
Plans, decisions, family visits, moving, work, or responsibilities you personally heard or saw them discuss.
- ☐ **Seeing them together with friends or family**
Meals, holidays, gatherings, family events, or community settings where you personally saw them together as a couple.
- ☐ **Care and support you personally observed**
Everyday help, emotional support, illness, stress, or another moment where you personally saw one support the other.

Personal observations of the relationship

~~A~~ relationship statement, not a character-letter template.

Personal Observations of the Relationship.

3. PERSONAL OBSERVATIONS OF THE RELATIONSHIP

The following observations are based on what I personally witnessed. [Body redacted for outreach demo.]

Relationship-focused statement

Submission stops for attorney review.

Witness sees pending review before signature preparation.

Thank you

Your statement is **pending attorney review** before signature preparation.

Synthetic demo

Attorney review before signing

The firm sees the review work in one place.

Submitted statements in the attorney review queue.

Needs review
